ANSWER**1. Answer****C****Solution**

The C part has an error. The phrase "given in" is incorrect in this context. The correct phrase should be "given out" or "given by" to indicate that the awards were distributed or awarded by individual scientific departments.

2. Answer**A****Solution**

The A part has an error. The word "Latter" is incorrectly used. The correct word should be "Later" to indicate a time in the near future. "Latter" means the second one of two things or people that have been mentioned.

3. Answer**A****Solution**

The A part has an error. The phrase "a wide range of field" is incorrect. The word "field" should be pluralized to "fields" because it refers to multiple areas of study or disciplines.

4. Answer**C****Solution**

The C part has an error. The phrase "will do great service to science than tokenism" is incorrect. The correct comparative structure is "will do more service to science than tokenism."

5.Answer

E

Solution

The above sentence is free from error.

6.Answer

B

Solution

The B part has an error. We need the singular form of a verb to agree with the singular verb "normal".

7.Answer

A

Solution

The A part has an error. The issue here is with the use of "bright" instead of "brightly." The word "bright" is an adjective, but in this context, you need an adverb to describe how "glow" occurs. The correct form is "brightly."

8.Answer

E

Solution

The above sentence is free from error.

9.Answer

B

Solution

The B part has an error. We need the second form of a verb, as the sentence talks about an event that happened in the past. Replace “sustain” with “sustained”.

10. Answer

C

Solution

The C part has an error. We need the base form of a verb to follow the modal verb “could”. Replace “went” with “go”.
