(E) No rearrangement required

ANSWER

1.Ans: (C)

Explanation: As they narrated their experiences of **adversity**, they also celebrated those who had **impacted** their lives — patient mentors who **instilled** confidence, family friends who **offered** safe spaces, religious leaders who shared **wisdom**, and workshop leaders who opened doors to new opportunities.

2.Ans: (B)

Explanation: While her followers **interpret** her emotional **transparency** on social media as a refreshing form of authenticity and vulnerability, skeptics view it as a calculated performance crafted to **manipulate** public **sentiment** and maintain **relevance**.

3.Ans: (D)

Explanation: Although advancements in artificial intelligence have **revolutionized** productivity and automation, they have also intensified **ethical** concerns, with biased algorithms and surveillance **tools** increasingly used in ways that **infringe** on civil **liberties**.

4.Ans: (C)

Explanation: Punjab's **hesitation** to implement the farm reform laws was **shaped** by its **agricultural** legacy and the strong **influence** of farmer unions, even as several other states moved ahead with **minimal** resistance.

5.Ans: (D)

Explanation: Telangana's **decision** to retain certain welfare **schemes** independently of central policies highlights its **focus** on regional priorities, whereas other states have opted for **integration** into broader national **initiatives**.

6.Ans: (E)

Explanation: No rearrangement required

While **accusations** against the judiciary's **independence** are often based on **isolated rulings** rather than systemic patterns, they erode institutional **trust** in ways that warrant serious introspection.

7.Ans: (B)

Explanation: Conspiracy theories **surrounding** vaccine side effects rarely **withstand** scientific **scrutiny**, yet their widespread circulation **presents** significant obstacles to public health campaigns and efforts to **promote** immunization.

8.Ans: (A)

Explanation: Although **discussions** around gender pay gaps have gained considerable **momentum** in recent years, there remains a limited body of empirical research that **delves** into how overlapping factors such as caste hierarchies, occupational segregation, and regional disparities collectively **influence** wage **inequality** among women in India.

9.Ans: (D)

Explanation: While proponents **hail** the artist's provocative installations as bold **challenges** to societal norms and catalysts for public discourse, detractors **dismiss** them as attention-seeking **stunts** devoid of meaningful **substance**.

10. Ans: (B)

Explanation: By revoking the special status of Jammu and Kashmir under Article 370, the Indian government fundamentally **altered** the region's constitutional **relationship** with the Union, a decision **hailed** by supporters as a step toward national **integration**, yet condemned by critics as an **affront** to federalism and democratic rights.
