**ANSWER**

1.

**Answer B****Solution**

The B part has an error. We need the past tense form of a verb **WAS**, as the sentence talks about an event that happened in the past. Replace **HAS** with **WAS**.

2. **Answer C****Solution**

The C part has an error. Replace **LATTER** with **LATER**. **LATTER** means the second one of two things or people that have been mentioned. **LATER** means after the present, expected, or usual time.

3. **Answer D****Solution**

The D part has an error. We need the singular form of the verb **"IS"** to agree with the singular subject **"message"**. Replace **"are"** with **"is"**.

4. **Answer E****Solution**

The above sentence is free from error.

5. **Answer A****Solution**

The A part has an error. We need to replace **"who"** with **"which"**. The main difference between the two is that **"who"** is used to refer to people, while **"which"** is used to refer to things. **"WHICH"** is used to refer to **"cooperation"**.

**6. Answer D****Solution**

The D part has an error. We need an adjective to modify the noun “engagement”. Replace the adverb “consistently” with the adjective “consistent” to make the sentence correct.

**7. Answer B****Solution**

The B part has an error. We need a contrast category connector, as the sentence talks about a statement which is contradictory. Replace “also” with “although”.

**8. Answer C****Solution**

The C part has an error. Remove “of” after “despite”. As, “despite” alone means “in spite of”.

**9. Answer B****Solution**

The B part has an error. Replace “more” with “most”. “More” is used to compare two things, while “most” is used to compare more than two things. Here, “most” is used to show that javelin grasps most of the medals.

**10. Answer E****Solution**

The above sentence is free from error.
