Set 1

Direction (1-5): The passage given below contains some blanks wherein the words have been removed. Find the word from the given options that is suitable for each blank and mark that as your answer.

<p>The Union Cabinet, chaired by Prime Minister Narendra Modi, approved 'Mission Mausam' on Wednesday (September 11, 2024) with an outlay of ₹2,000 crore over two years. The Ministry of Earth Sciences will be the nodal body implementing the mission. The aim of the programme will be to _(A)_ research and development, and capacity in atmospheric sciences, weather surveillance, modelling, forecasting, and management. It will _(B)_ advanced observation systems, high-performance computing and cutting-edge technologies such as artificial intelligence and machine learning, and will also set a new benchmark for predicting weather with high precision, said a press statement. Three institutes of the Ministry of Earth Sciences – the India Meteorological Department, the Indian Institute of Tropical Meteorology, and the National Centre for Medium-Range Weather Forecasting – will primarily implement Mission Mausam. Critical elements of Mission Mausam will include _(C)_ next-generation radars and satellite systems with advanced sensors and high-performance supercomputers, improved earth system models and a GIS-based automated Decision Support System for real-time data dissemination. While officials weren't available for immediate comment, several of the stated activities of the mission are _(D)_ activities already being implemented by the Ministry of</p>	<p>Earth Sciences. Mission Mausam is expected to directly benefit numerous sectors, such as agriculture, disaster management, defence, environment, aviation, water resources, power, tourism, shipping, transport, energy, and health. It will also _(E)_ data-driven decision-making in areas such as urban planning, road and rail transport, offshore operations, and environmental monitoring.</p>
---	--

The aim of the programme will be to __**(A)**__
research and development, and capacity in
atmospheric sciences, weather surveillance,
modelling, forecasting, and management.

Question 1:

Which of the following best fits in **Option A**?

- I.** subtle
- II.** bolster
- III.** fortify

- (a) Only III
- (b) Both I and II
- (c) Only I
- (d) Both II and III

It will _____ **(B)** _____ advanced observation systems, high-performance computing and cutting-edge technologies such as artificial intelligence and machine learning, and will also set a new benchmark for predicting weather with high precision, said a press statement.

Question 2:

Which of the following best fits in **Option B**?

- I. integrate
- II. impasse
- III. incorporate

- (a) Only II
- (b) Both II and III
- (c) Both I and III
- (d) Only III
- (e) All of I, II and III

Three institutes of the Ministry of Earth Sciences – the India Meteorological Department, the Indian Institute of Tropical Meteorology, and the National Centre for Medium-Range Weather Forecasting – will primarily implement Mission Mausam. Critical elements of Mission Mausam will include _____**(C)**_____ next-generation radars and satellite systems with advanced sensors and high-performance supercomputers, improved earth system models and a GIS-based automated Decision Support System for real-time data dissemination.

Question 3:

Which of the following best fits in **Option C**?

- I. penetrating
- II. deploying
- III. mooting

- (a) Both I and II
- (b) Only III
- (c) Both II and III
- (d) Only II
- (e) All of I, II and III

While officials weren't available for immediate comment, several of the stated activities of the mission are _____**(D)**_____ activities already being implemented by the Ministry of Earth Sciences.

Question 4:

Which of the following best fits in **Option D**?

- I. core
- II. fundamental
- III. standoff

- (a) Both I and II
- (b) Only III
- (c) Both I and III
- (d) Only II
- (e) All of I, II and III

It will also _____ **(E)** _____ data-driven decision-making in areas such as urban planning, road and rail transport, offshore operations, and environmental monitoring.

Question 5:

Which of the following best fits in **Option E**?

- I.** alleviating
- II.** enhance
- III.** amplify

- (a) Only III
- (b) Both I and II
- (c) Only I
- (d) Both II and III
- (e) All of I, II and III

Direction (6-10): The passage given below contains some blanks wherein the words have been removed. Find the word from the given options that is suitable for each blank and mark that as your answer.

The future of Virtual Reality (VR) is poised to _____(A)_____ the way we interact with technology, transforming everyday life in unprecedented ways. From immersive educational experiences to virtual workplaces, VR is expected to _____(B)_____ a paradigm shift in how we perceive and engage with the world. The technology will _____(C)_____ advanced haptic feedback systems, ultra-high-resolution displays, and AI-driven personalization, making virtual environments indistinguishable from reality. While some critics argue that VR may _____(D)_____ social isolation, proponents believe it will foster global connectivity and collaboration. As VR becomes more

accessible, it will _____(E)_____ industries such as healthcare, entertainment, real estate, and retail, revolutionizing traditional practices.

The future of Virtual Reality (VR) is poised to _____ **(A)** _____ the way we interact with technology, transforming everyday life in unprecedented ways.

Question 6:

Which of the following best fits in **Option A**?

I. transmute

II. alienate

III. revolutionize

(a) Only III

(b) Both I and III

(c) Only I

(d) Both II and III

(e) All of I, II and III

From immersive educational experiences to virtual workplaces, VR is expected to _____**(B)**_____ a paradigm shift in how we perceive and engage with the world.

Question 7:

Which of the following best fits in **Option B**?

- I. instigate
- II. catalyze
- III. mitigate

- (a) Only II
- (b) Both I and III
- (c) Only III
- (d) Both I and II
- (e) All of I, II and III

The technology will ____ **(C)** ____ advanced haptic feedback systems, ultra-high-resolution displays, and AI-driven personalization, making virtual environments indistinguishable from reality.

Question 8:

Which of the following best fits in **Option C**?

I. retaliate

II. consolidate

III. fragile

(a) Only II

(b) Both I and II

(c) Only III

(d) Both II and III

(e) All of I, II and III

While some critics argue that VR may _____ **(D)** _____ social isolation, proponents believe it will foster global connectivity and collaboration.

Question 9:

Which of the following best fits in **Option D**?

- I. exacerbate
- II. attenuate
- III. engender

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both II and III
- (e) All of I, II and III

As VR becomes more accessible, it will _____**(E)**_____ industries such as healthcare, entertainment, real estate, and retail, revolutionizing traditional practices.

Question 10:

Which of the following best fits in **Option E**?

- I. permeate
- II. galvanize
- III. rejuvenate

- (a) Only I
- (b) Both I and II
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

Direction (11-15): The passage given below contains some blanks wherein the words have been removed. Find the word from the given options that is suitable for each blank and mark that as your answer.

<p>Space tourism is no longer a distant dream but an emerging reality that promises to _____(A)_____ the boundaries of human exploration. Companies like SpaceX and Blue Origin are _____(B)_____ cutting-edge spacecraft designed to offer civilians the thrill of space travel. These ventures will _____(C)_____ advanced propulsion systems, state-of-the-art life support mechanisms, and fail-safe protocols to ensure passenger safety. While the cost of space travel remains _____(D)_____, experts predict that prices will gradually decrease as technology becomes more efficient. The advent of space tourism will _____(E)_____ new opportunities for</p>	<p>scientific research, economic growth, and cultural exchange, making the cosmos accessible to all.</p>
---	--

Space tourism is no longer a distant dream but an emerging reality that promises to _____ **(A)** _____ the boundaries of human exploration.

Question 11:

Which of the following best fits in **Option A**?

- I.** transcend
- II.** obliterate
- III.** delineate

- (a) Only III
- (b) Both I and II
- (c) Only I
- (d) Both II and III
- (e) All of I, II and III

Companies like SpaceX and Blue Origin are _____**(B)**_____ cutting-edge spacecraft designed to offer civilians the thrill of space travel.

Question 12:

Which of the following best fits in **Option B**?

- I. pioneering
- II. devising
- III. languishing

- (a) Only II
- (b) Both I and II
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

These ventures will _____ **(C)** _____ advanced propulsion systems, state-of-the-art life support mechanisms, and fail-safe protocols to ensure passenger safety.

Question 13:

Which of the following best fits in **Option C**?

- I.** obscure
- II.** dismantle
- III.** leverage

- (a) Only I
- (b) Both I and III
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

While the cost of space travel remains _____**(D)**_____, experts predict that prices will gradually decrease as technology becomes more efficient.

Question 14:

Which of the following best fits in **Option D**?

- I. exorbitant
- II. elementary
- III. extravagant

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both II and III
- (e) All of I, II and III

The advent of space tourism will
_____ **(E)** _____ new opportunities for
scientific research, economic growth, and cultural
exchange, making the cosmos accessible to all.

Question 15:

Which of the following best fits in **Option E**?

- I.** aid
- II.** expedite
- III.** stifle

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both I and II
- (e) All of I, II and III

Direction (16-20): The passage given below contains some blanks wherein the words have been removed. Find the word from the given options that is suitable for each blank and mark that as your answer.

The _____(A)_____ decline of the Indian rupee against the US dollar has far-reaching _____(B)_____ for the nation's economy. A weaker rupee exacerbates inflationary pressures by making imports, especially crude oil and essential commodities, more expensive, thereby straining household budgets. Furthermore, a depreciating currency deters foreign investments due to concerns over _____(C)_____ and diminished returns, potentially leading to a slowdown in economic growth. However, _____(D)_____ exists for export-driven sectors, as a weaker rupee enhances the competitiveness of Indian goods in global markets. Despite these contrasting effects, _____(E)_____

fiscal policies and strategic interventions are imperative to mitigate adverse consequences and ensure economic stability.

The _____ **(A)** _____ decline of the Indian rupee against the US dollar has far-reaching _____ **(B)** _____ for the nation's economy.

Question 16:

Which of the following best fits in **Option A**?

- I.** steep
- II.** precipitous
- III.** empirical

- (a) Only I
- (b) Both I and II
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

The _____(A)_____ decline of the Indian rupee against the US dollar has far-reaching _____(B)_____ for the nation's economy.

Question 17:

Which of the following best fits in **Option B**?

- I. pragmatism
- II. ramifications
- III. repercussions

- (a) Only II
- (b) Both I and II
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

Furthermore, a depreciating currency deters foreign investments due to concerns over _____ **(C)** _____ and diminished returns, potentially leading to a slowdown in economic growth.

Question 18:

Which of the following best fits in **Option C**?

- I. turbulence
- II. breakthrough
- III. volatility

- (a) Only I
- (b) Both I and III
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

However, _____ **(D)** _____ exists for export-driven sectors, as a weaker rupee enhances the competitiveness of Indian goods in global markets.

Question 19:

Which of the following best fits in **Option D**?

- I.** a piece of cake
- II.** a silver lining
- III.** a bone to pick

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both II and III
- (e) All of I, II and III

Despite these contrasting effects,
_____ **(E)** _____ fiscal policies and strategic
interventions are imperative to mitigate adverse
consequences and ensure economic stability.

Question 20:

Which of the following best fits in **Option E**?

- I. prudent
- II. judicious
- III. strive

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both I and II
- (e) All of I, II and III

Direction (21-25): The passage given below contains some blanks wherein the words have been removed. Find the word from the given options that is suitable for each blank and mark that as your answer.

The Indian government has imposed _____(A)_____ restrictions on the import of laptops, tablets, and servers to bolster domestic manufacturing and reduce dependency on foreign products. These regulations are part of the _____(B)_____ "Make in India" initiative, aimed at promoting local production and enhancing self-reliance in the technology sector. Importers are now required to obtain licensure from the government, ensuring that only approved shipments enter the market. While these measures encourage _____(C)_____ manufacturing and boost employment, they also pose _____(D)_____ challenges, such as potential supply shortages and increased costs for consumers. Striking a

_____ (E) _____ balance between promoting local industry and maintaining affordability remains crucial for long-term economic stability.

The Indian government has imposed _____**(A)**_____ restrictions on the import of laptops, tablets, and servers to bolster domestic manufacturing and reduce dependency on foreign products.

Question 21:

- I.** stringent
- II.** remunerative
- III.** rigorous

- (a) Only I
- (b) Both I and III
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

These regulations are part of the _____**(B)**_____ "Make in India" initiative, aimed at promoting local production and enhancing self-reliance in the technology sector.

Question 22:

- I. broad
- II. broader
- III. broadest

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both II and III
- (e) All of I, II and III

While these measures encourage _____**(C)**_____ manufacturing and boost employment, they also pose _____**(D)**_____ challenges, such as potential supply shortages and increased costs for consumers.

Question 23:

- I. indigenous
- II. indigent
- III. ingenuous

- (a) Only I
- (b) Both I and II
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III

While these measures encourage _____**(C)**_____ manufacturing and boost employment, they also pose _____**(D)**_____ challenges, such as potential supply shortages and increased costs for consumers.

Question 24:

- I. renounce
- II. transitory
- III. ephemeral

- (a) Only I
- (b) Both I and III
- (c) Only II
- (d) Both II and III
- (e) All of I, II and III

Striking a _____(E)_____ balance between promoting local industry and maintaining affordability remains crucial for long-term economic stability.

Question 25:

- I. delicate
- II. precarious
- III. vague

- (a) Only II
- (b) Both I and II
- (c) Only III
- (d) Both II and III
- (e) All of I, II and III
