ANSWER**1. Answer Section:**

- Diversify: To spread investments across various asset classes to reduce risk.
- Consolidate: To combine assets into a single portfolio.
- Speculate: To invest in high-risk ventures hoping for high returns.
- Focus: To concentrate investments in one area.
- Balance: To adjust the proportions of various investments for stability.

Correct Option: A) diversify

Rationale: "Diversify" best fits the context of reducing risk by spreading investments.

2. Answer Section:

- Ignore: To pay no attention to the regulations.
- Implement: To put into effect or carry out.
- Postpone: To delay to a later time.
- Reject: To refuse to accept.
- Minimize: To reduce in size or importance.

Correct Option: B) implement

Rationale: "Implement" is the appropriate term for putting new regulations into practice.

3. Answer Section:

- Complicate: To make more complex or confusing.
- Reform: To make changes in order to improve.
- Burden: To impose a heavy load or duty.
- Overlook: To fail to notice or consider.
- Enforce: To compel observance of or obedience to laws

Correct Option: B) reform

Rationale: "Reform" means to change something for the better, fitting the context of improving the tax system.

4. Answer Section:

- Accumulate: To gradually gather or acquire.
- Increase: To become greater in size or amount.
- Maintain: To keep at the same level.
- Reduce: To make smaller or less in amount.
- Ignore: To refuse to take notice of.

Correct Option: D) reduce

Rationale: "Reduce" is the best fit since lowering debt is seen as a positive move for financial stability.

5. Answer Section:

- Expand: To increase in scope or size.
- Complicate: To make more difficult or intricate.
- Alter: To change or modify.
- Delay: To put off to a later time.

Streamline: To simplify or modernize by eliminating unnecessary elements.

Correct Option: E) streamline

Rationale: "Streamline" implies improving efficiency by removing unnecessary steps, which fits the sentence.

6. Answer Section:

- Diversify: To spread investments across various types to reduce risk.
- Concentrate: To focus investments in a limited area.
- Neglect: To fail to care for or attend to.
- Speculate: To invest in high-risk ventures
- Equalize: To make the distribution uniform.

Correct Option: A) diversify

Rationale: "Diversify" clearly conveys the strategy of spreading assets to mitigate risk.

7. Answer Section:

- Weaken: To reduce strength or effectiveness.
- Undermine: To weaken gradually or insidiously.
- Simplify: To make less complex.
- Enhance: To improve or increase in quality.
- Delay: To postpone to a later time.

Correct Option: D) enhance

Rationale: "Enhance" is appropriate as it means to improve the security measures.

8. Answer Section:

- Restrict: To limit the extent or scope.
- Curtail: To reduce or cut short.
- Promote: To support or actively encourage.
- Diminish: To make or become less.
- Oppose: To disapprove of or resist.

Correct Option: C) promote

Rationale: "Promote" best fits the intent of encouraging renewable energy production.

9. Answer Section:

- Overlook: To fail to notice.
- Investigate: To examine thoroughly or inquire into.
- Isolate: To set apart or detach.
- Delay: To put off or postpone.
- Neglect: To give little attention to.

Correct Option: B) investigate

Rationale: "Investigate" is the right choice because it involves a thorough examination of suspicious activity.

10. Answer Section:

- Boost: To increase or improve.
- Ignore: To pay no attention to.
- Split: To divide into parts.
- Fluctuate: To vary irregularly.
- Stabilize: To make it steady or consistent.

Correct Option: E) stabilize

Rationale: "Stabilize" fits best, as it implies making the rates more steady to control inflation.
